

With over 100,000 songs in our catalogue, MAP can customize your event playlist to include your favorite artists and genres. We use our commercial PA equipped with a microphone for outdoor and large events. We also have small Pepsi branded bluetooth speakers, perfect for in-store sampling events.

Our experienced staff is comfortable on the mic and can happily entertain your crowd if you require a DJ and/or Master of Ceremonies.

MAP can also book live music for your event, so whether you want a cover band for your festival or a specific music style to perfectly accent your party, let us find the band that is right for you.
