

With the Tabletop Arcade, we bring the arcade directly to you! Just let us know which games and systems you'd like us to bring, and we'll take care of the rest. If you'd like to stick with a current video game system, everything from sports games (Madden, NBA 2K, etc.) to Mario Party, Wii Sports, and beyond is available.

If you miss the old classics like Donkey Kong, Pac Man, or Asteroids, let us provide our classic gaming setup. This features over 500 vintage titles from the golden era of video games, including titles from the original Nintendo, Sega Genesis, and Super Nintendo as well as Atari 2600 and Colecovision!

We can even create a live musical experience by utilizing our Rock Band Experience featuring customized branded guitar, bass and drums. Go on tour and show off your musical chops for the crowd.

A TV display is standard, while a projector screen is available for larger events. Customizable for any brand.
