

DJ / MC / Music

With over 100,000 songs in our catalogue, MAP can customize your event playlist to include your favorite artists and genres. We use our commercial Peavey PA for outdoor and large events. This model is equipped with a microphone for announcements. We also have a small Pepsi branded bluetooth speaker, perfect for in-store sampling events.

Our experienced staff is comfortable on the mic and can happily entertain your crowd if you require a DJ and/or Master of Ceremonies.

MAP can also book live music for your event, so whether you want a cover band for your festival or a specific music genre to perfectly accent your party, let us find the band that is right for you.

Event Asset Needs:

- Needs to be within 100' of power source
