

Plant Your Roots

Plant your roots with Pepsi in Walmart Lawn and Garden Centers. Let us provide clay pots, dirt, seeds, and Aquafina to children as they plant their own seed to take home and watch grow.

We promote Walmart's Garden Center by purchasing the Plants, Pot, Dirt, and Aquafina directly from Walmart at each event. Kids will love tending to their own plant while listening to children's music and enjoying an ice cold sample of Pepsi. Parents will appreciate the activity Pepsi provides for their children. A perfect way to create good feelings toward Pepsi and it's brands.

Event Asset Needs:

- 6'w x 4'l space
- Needs to be within 100' of power source

Best if set up in Garden Center
